

KING ARTS INTRAMURAL PERMISSION FORM

Dear Parent/Guardian,

Intramural Sports is an in-school activity program offered for students grades 4 through 8 at King Arts School. King Arts staff members will supervise all activities. This is a “drop-in” program, meaning that students may attend as often or as few times as they wish. There is no fee, but any student wishing to participate must have this **ONE TIME PERMISSION FORM** on file in the Physical Education Department. The permission form will be valid for all Intramural activities scheduled for the 2021-2022 school year.

Intramurals will begin in September. We will have early morning intramurals starting at 7:00 a.m. Students attending intramurals will not be allowed to bring younger siblings. Appropriate behavior is a requirement for all Intramural participants.

Morning intramural entry will be on the Greenwood side gym doors from **7-7:15am NO LATE ENTRIES** will be allowed. **Covid guidelines:** you must wear your mask, sanitize hands and sign in. Also, upon entry your Crisis Go sheet must be filled out.

If you want your child to participate in the King Arts Intramural Program, please sign this form and return it to a staff member in the Physical Education Department.
